Summer League Newsletter – No.6

August 2026

As our competitions progress towards their conclusion, the Committee are pleased to announce that we will be holding an end-of-season finals night on Monday, 7th September at the new venue of the Rogerstone & Bassaleg Social Club (commonly known as the Alcan Club) which is now the range of Newport Eagles. This will be a separate competition to the current Summer competition and will be squadded based on final card averages. Please come and join us for a final fun shoot on the cards before we start our winter competitions.

On the scores front, Stuart Daltrey has achieved his second maximum of the season, scoring 70 in round 9 of the team competition.

SUMMER COMPETITION RULES

1. Only flat-headed pellets of 4.5mm (1.77) Calibre are to be used.
2. One shot per diagram, more will result in the lowest scores counting. If a shot hits the target but fails to cut a diagram then you can re-fire on the same diagram without penalty.
3. TEAM EVENT FORMAT Teams will be entered into divisions made up of teams of similar ability. Seven shots to count, the top two diagrams either side of the identification sticker are for sighting only. The two highest scores from a team of three will count as the round score, so if only 2 shooters are able to enter the team can still compete. Round winners will be awarded two points or one point for a draw.
4. INDIVIDUAL EVENT FORMAT. Competitors will be entered into divisions made up of individuals of similar ability. Ten shots to count. The highest score for each round will be awarded maximum points and the lowest scorer one point at least. Ties will be separated by the highest number of tens, nines, eight's etc. and if necessary the highest number of inner tens.
5. Points will not be awarded if cards are not returned. A minimum of 75% of rounds must be submitted to avoid disqualification.
6. Rounds may be fired in advance but in the correct order.
7. Shot cards must be signed by the competitor, witnessed with the date and returned to the Summer Competition Scorer no later than two days after the last date of shooting for each round.
8. The witness must be satisfied that the cards they are witnessing are shot in accordance with the above rules.
9. At the end of season, a Chairman's Shoot will be classed to four levels based of averages from the current seasons scores. Top four scores in each class to shoot again in a final on the same day. Each class finalist with the highest aggregate score will be the class winner. All members eligible for this event providing a minimum three rounds scores have been returned. This is subject to the number of entries received.
10. All decisions made by the League Management Committee will be final.
